Dear Mr. President,

Nov. 16, 1960

This morning David Greenglass was freed from jail after serving 4 1/2 years. <sup>in brilliant scientific</sup> Morton Sobell sentenced at the same trial has now served 10 years in jail, and is still there. Why freedom for David Greenglass & not Morton Sobell? Mr. Sobell has always said he is innocent & still does.

Yours respectfully - Sara Stevens
